

National Crosswalk Service Center Crosswalk File Documentation

Crosswalk Name: OCCINDO

Description Occupations with industries from the Bureau of Labor Statistics May 2016 Occupational Employment Statistics (OES) estimates

Classifications Industries and Occupations from Bureau of Labor Statistics, 2012 NAICS, 2010 SOC
OES Program: http://www.bls.gov/oes/current/oes_tec.htm

Overview: The OES file contains estimates of wage and salary employment by occupation by industry. Estimated employment for each industry-occupation combination is included to help determine the size of the occupation within the industry. The occupations use the 2010 SOC classification, and the industries use the 2012 NAICS classification.

File Format(s): MS Access, comma-delimited text

File Notes: File ordered by industry, occupation
